Dear Parent/Carer,

I am writing to you to inform you that after consultation with students, parents, staff and Governors, we are planning to re-organise our form tutor group structure to a vertical system. This involves placing students of all three age groups into form groups together. The main objective of this is to promote a more family-like ethos where all students spend time together and support each other in all aspects of school life. This will not affect any teaching groups and these will continue to be organised as before.

While I understand that there may be some concerns regarding this change, the consultation process has resulted in strong support for it from all groups involved. Students will be registered together every morning and afternoon and will have form time together on Tuesdays and alternative Thursdays. Wednesday mornings will also be spent together for our reading programme.

Your child has been asked to identify three students they would like to be in the same form and it is our goal to make sure each child is with at least one of their friends.

If you wish any further clarification on vertical tutor grouping, please do not hesitate to contact your child's Learning Tutor.

Thank you for your continued support,

Yours sincerely,

R A Hewitt
Head Teacher
