

TRAVELLING TO SCHOOL

The easiest way to travel to Caedmon is to walk if you live near to the school.

If you live outside of Whitby, there are buses and trains available for your journey to school.

Train

If you come on the train, when you arrive at Whitby Station you will need to go to Langborne Road to collect the bus to bring you up to Caedmon. After school a bus will take you back to Station Square to catch the train home.

Bus

The buses collect you on route from home to school. You are dropped off in the car park in Caedmon. When you leave to go home you wait in the cloak room outside ICT1 and when your bus arrive the member of staff on duty tells you.

Passes

Anyone travelling by bus or train must have a pass. The website for school transport is:
